These five solid thoughts, followed and applied diligently in the given sequence, guarantee 100% victory for you, irrespective of what you are going through or what you will go through in life; whether they be health issues, financial challenges, marital crises, relationship disappointments, etc. God does not want you to lose or fail in life. He wants you to be victorious, for that is who He made you to be! Amen.

1 REMIND YOURSELF THAT YOU DON'T HAVE TO BE AFRAID; MAINTAIN A QUIET SPIRIT.

Whenever there's fear, defeat is inevitable. Fear sets a panic attack on a person's mind and makes it difficult to see the way out of a challenging situation; fear hinders a person from taking a confident step towards the solution. Fear paralyzes a person and complicates the crisis; fear makes a man's spirit noisy and inspires wrong decisions that worsen things. When faced with any difficult situation, the first thing to do is to REFUSE TO BE AFRAID; choose to maintain a quiet spirit. Remind yourself that you don't need to be afraid. Everyone hears God's voice and leading on the way out and forward easily when quiet. Read these words as though God is speaking directly to you and be calm:

4 REMIND YOURSELF THAT YOU NEED TO ACT; ENCOURAGING MOVEMENT.

Nothing changes on its own. The challenging situation comes because something has done it. Well. Some. Because something is able. These things, though, though, though, when we walk through, they, will always require by getting our own and needs. So to know the right thing to do, the will provide the necessary steps we need and "have" to take in the face of our enemies.

Make the promise actions through issues and pain in your life. Let God know what you can do to change things positively.

REMIND YOURSELF
THAT GOD IS AWARE
AND YOU ARE NOT
ALONE.

When you find yourself in any challenging situation, never for once think you are alone, and don't allow yourself to be deceived to believe that your problem is a surprise to God. That will never be true; God always sees it coming; God is always aware. Since God knows of the difficult things we can face in this life, He assures us of His presence, regardless of what they are. The knowledge of God being aware and the guarantee of His presence births the confidence that victory is guaranteed. Amen. You can declare this verse boldly:

***“...though I walk through the valley
of the shadow of death, I will fear no
evil: for thou art with me; thy rod
and thy staff they comfort me.”***

(Psalm 23:4)

***Wisdom Verses : Hebrews 13:5,
Isaiah 43:2, 1 Peter 5:7***

3

REMIND YOURSELF
THAT THERE IS AN
EXISTING ANSWER

There's always a way out, a way up, and a way forward. Never be deceived to think any situation is completely hopeless. There's no question without an answer, and no problem without a solution. Because this is true, the LORD God said, "Call unto me, and I will answer you, and show you great and mighty things, which you know not" (Jeremiah 33:3). "I will answer" (I will provide the solution) is the promise.

Every problem in itself is proof of an existing solution, just as every question is proof that there is an existing answer. No crisis in this world is a surprise to God.

Whether it be health, financial, relationship, or business challenges, God has made the solutions available. He always sees them coming and makes a way. No situation takes God by surprise. THERE'S AN ANSWER for all you are going through or will ever go through in this life.

"God is our refuge and strength, a very present help in trouble."

(Psalms 46:1)

Say that to yourself: "God is my very present help in trouble." Amen. Say it audibly to your hearing.

Wisdom Verses : *Exodus 23:30, Jeremiah 32:27, Jeremiah 33:3*

4

**REMINDE YOURSELF
THAT THE SOLUTION
IS VERY CLOSE TO YOU.**

God never places the solution to a man's problem far from him; never. The solution is always close by. Yours is close to you too. It may be something you already have, someone close to you (a relationship you have), or a place not far from you. Refuse to take your eyes far from you; the answer is around you. God placed it close to you so that your key should not be bigger than your door. When a solution is complicated, it is a problem in itself.

As true as it is that God answers prayers, one of His answers is showing us that we already have the answer; it is always very close.

"Wisdom is before him that hath understanding; but the eyes of a fool are in the ends of the earth."

(Proverbs 17:24)

So, don't take your eyes far from you; look within you and look around you.

REMINDE YOURSELF
THAT YOU NEED TO
ACT; DO SOMETHING
ABOUT IT.

Nothing changes on its own. The challenging situation came because something was done. It will leave because something is also done. When things change, things change. When we seek God's help, He will always respond by opening our eyes and minds to see or know the right thing to do; He will provide the necessary help we need and "make a table in the midst of our enemies."

Maybe the previous actions brought losses and pain into your life, but God knows what you can do next to change things positively.

Remind yourself that you need to create the expected outcome by taking the responsibility to act differently and wisely according to God's Word. Stop just waiting indefinitely; act when you are told the right thing to do. The desired change is the result of the wise action you will take next; what happens next will be the result of what happens now. So, awake and do the right thing.

"... I am the LORD thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go"

(Isaiah 48:17)

God will lead, but you have to do the going. Take steps.

***Wisdom Verses : Luke 5:4-7,
Matthew 7:24-26, Isaiah 1:19***

PRAYER

Dear Heavenly Father, I thank You for Your promise and faithfulness to be with me through every challenge of life. Today, I maintain a quiet spirit, fully conscious that You are aware of all I am going through at this time. I believe You have already prepared a solution for me, and I know it is very close.

In Your rest, I receive that solution into my consciousness and my life, and I take prompt action.

I confess that I am free, healed, blessed, and prosperous, in Jesus' Name. Hallelujah

Congratulations !
